

# SMITHFIELD HEALTH DAYS

MAY 9, 2020

11 AM- 5 PM

Concessionaires and Vendors:

The Smithfield Health Days Committee would like to invite you to be involved with the annual Health Days Celebration. We have a lot of fun activities planned that will bring the community together for this well attended event. Booth reservations at Forrester Acres Park are made through the Smithfield Recreation Center Office, 315 E. 600 S. Smithfield, UT. We'll begin taking booth reservations starting **March 2, 2020**. At the time of reservation, you will have the opportunity to choose your booth location based on availability. We are excited for another exciting and successful celebration and hope to see you there.

# SMITHFIELD HEALTH DAYS

MAY 9, 2020

---

The Health Days Committee and Smithfield City would like to welcome you to the annual Health Days Celebration for the year 2020. We have the following requirements pertaining to booth space and booth utilization for Health Days in Smithfield City's Forrester Acres.

## Reservations

1. Reservations will be taken between March 2<sup>nd</sup> and May 1<sup>st</sup>. You may reserve a booth space online at [smithfieldrecreation.com](http://smithfieldrecreation.com). However, you must make your reservation in person at the Smithfield Recreation Center if you want to choose your specific booth.
2. Payment **must** be made at the time of reservation in order to reserve your booth, there are no exceptions!
3. You can select your preferred location from booth spaces available at the time you make your reservation. Locations are shown on a map of Forrester Acres in the Rec Center Office. Forrester Acres is located at 100 N 500 W Smithfield, UT 84335.

## Booths

Booth Options	Price	Size
Small Booth	\$35	12 x 12
Large Booth or Food	\$50	12 x 24
Extra Booth Space	Please contact Richard at the Smithfield Recreation Center (435) 563-0048	Additional space possible upon request and availability.

1. At the time your reservation is made you will be shown on the map where electrical power is available. Electricity is available to some of the booth spaces in the park. If power is needed you must use only heavy duty extension cords to get power to the booth locations (i.e. 12-14 gauge extension for 10 amp plugs). **WE DO NOT GUARANTEE ELECTRICITY. Make sure your equipment does not exceed 10 amps.**
2. **Please be advised that depending on the weather and the condition of the turf, the park may be off limits to vehicles driving on the grass. You may be required to carry your items from the adjacent parking lot to your booth space. Please plan accordingly. For those vendors who have heavy equipment such as amusement rides, you may be required to set up in the parking lot if it is determined that the turf will be damaged by your equipment and/or by your participants. Booth fees are non-refundable.**
3. In the event you are planning to place a trailer in part or all of your space, you are encouraged to bring your trailer in on Friday evening (May 8) prior to Health Days. On Saturday (May 9) it is difficult to move trailers because of the congestion in the park from other concessionaires/vendors and the public.
4. The boundary of a given booth space can be adjusted when you make your reservation i.e. changing from a 12 x 12 (small booth) foot space to a 12 x 24 (large booth) foot space. If you use a trailer, measure your trailer and tongue to determine the space you need (some trailers and soft drink trailers are more than 12 ft long).
5. Concessionaires/vendors must provide their own tables and chairs.

6. **Please have your booths set up by 10 a.m. on May 9<sup>th</sup>. All vendors must leave their booth set up for the entire duration of the event. Failure to do so may result in not being able to attend future events sponsored by Smithfield City.**
7. The space reserved by each concessionaire/vendor will be marked and numbered on the grass with paint prior to the time booth space is occupied.
8. Smithfield City requires that you have a “State Sales Tax Number.” If you need a tax number, you can apply for a temporary sales tax number at the Rec Center office and it will be mailed to you or you can contact the State Tax Commission at 1-800-662-4335 ext. 6303.
9. We ask that you please clean up the area in and around your booth space when you leave the park on Saturday. We need you to have all of the booth materials and trailers removed from the park **by 6:00 pm on Saturday, May 9<sup>th</sup>**. In the event of bad weather the same rules apply for cleanup as to how you must remove your equipment. (See Booth Section # 2)
10. **No concessionaire/vendor may sell or distribute laser (pointer pens), potato guns, blow guns, knives, tobacco products, controlled substances, imitation controlled substances, drug paraphernalia, martial arts items, fireworks, alcoholic beverages, or firearms.**

## **Safety**

1. The space reserved by each concessionaire/vendor will be marked and numbered on the grass with paint prior to the time booth space is occupied.
2. Personnel will be available on Friday night (May 8) and Saturday morning (May 9) to help each of you locate your booth space.
3. No vehicles will be allowed in the booth areas between the hours of 10 AM and 5 PM on Health Days (May 9). Please remove your vehicles promptly after you deliver materials before the start of Health Day activities. Also, vehicles cannot be left parked in driveways at the park. **PLEASE be set up by 10am on May 9<sup>th</sup>.**
4. Dogs and other animals are not allowed in the park during Health Days. This is also a requirement for any concessionaire/vendor in the park. Every individual with a disability has the right to be accompanied by a guide dog, signal dog, or service animal. Please let us know if any special arrangements need to be made.
5. Alcoholic beverages are not allowed in the park.
6. All concessionaire/vendors should have insurance to cover losses and liability. Smithfield City is not responsible for any losses to concessionaire/vendor.
7. If you are selling food in the park during Health Days, you are required to have a **Food Handler’s Permit** and a **Temporary Food Permit** issued by the Bear River Health Dept. You will need to show proof that you possess these permits to **Richard** at the Smithfield Recreation Center, at least 2 weeks prior to May 9<sup>th</sup> or you will not be allowed to sell food. For information regarding Food Permits, contact the Environmental Health Division, (435) 792-6570 for more information.
