

Child Care Guidelines

Thank you for taking advantage of the volunteer childcare service. In our effort to provide your child with a fun and safe environment and in accordance with the State of Utah Phased Guidelines, we ask that all patrons abide by the following guidelines.

- Child care will be capped at 11 children and will require pre-registration. If you do not bring your child for a day you have pre-registered, it will be considered a “No Show” and you may lose access to the babysitting program. Cancellations 24 hours in advanced will NOT be considered a “No Show.”
- Parents should screen their children for COVID-19 symptoms before bringing them to childcare. Those who are symptomatic cannot participate. Symptoms may include:
 - Fever or chills
 - Cough
 - Shortness of breath
 - Muscle or body aches
 - Vomiting
 - Diarrhea
 - New loss of taste or smell
 - Runny nose
 - Sore throat
- Once in the building, children need to wash their hands with soap and running water before entering childcare room.
- The babysitters will wear face coverings when within 6’ of a child.
- It is highly encouraged that children wear a face covering.
- Children should bring their own water bottle.
- Toys and other high touch surfaces will be cleaned and disinfected regularly.
- Toys that can not be washed and disinfected will be removed from the room.
- If a child has been in close contact (within 6 feet for 15 minutes or more) with an individual who has tested positive for COVID-19, they will be excluded from child care for at least 14 days from their last exposure.
- The child care service is for those attending the 9:15 am group fitness class.
- Children must be 15 months or older to attend the child care class.
- Children should not be in the Aerobics room during class except for special circumstances.
- Please take your child to the restroom before dropping them off.
- Children in a soiled diaper or those needing assistance using the restroom may be brought to you.
- Please do not send your child with food or toys from home. This often causes issues with the other children in the class.
- Please pick up your child immediately following the group fitness class.
- Only the parent who dropped off the child may be the one to pick him/her up.
- Group fitness equipment may not be used in the babysitting room.
- Please notify the Child Care Coordinator of any concerns you may have.

Thank you!!
